## VIDEO PLATE MOUNT II

Propheteer's Video Mount II is an enhanced version of our popular Video Mount plate mounter, providing the quickest, most accurate plate mounting. Aided by a split screen magnified video alignment tool, a single adjusting knob is now used to accurately align the plate to the cylinder, greatly reducing the time for this critical task.

### Video Mount II features:

- Plate width 4" to 20" and cylinder widths to 22"
- Print cylinder repeat range 6" to 24"
- Split screen digital video display with two video cameras and 20x magnification for plate-to-cylinder alignment
- Positive fine adjustment of plate alignment
- Storage and unwinding shaft for stickyback mounting tape
- Operators Manual
- Requires 120 volt 1 phase power and minimum 60 psi compressed air
